## Per WH Executive Order 14028 US Government adopts Zero Trust Architecture (ZTA) Cybersecurity Principles

---

OFFICE OF MANAGEMENT AND BUDGET  
WASHINGTON, D.C. 20503  
January 26, 2022

M-22-09: MEMORANDUM FOR THE HEADS OF EXECUTIVE DEPARTMENTS AND AGENCIES  
FROM: Shalanda D. Young Acting Director  
SUBJECT: Moving the U.S. Government Toward Zero Trust Cybersecurity Principles – EO 14028

This memorandum sets forth a Federal zero trust architecture (ZTA) strategy, requiring agencies to meet specific cybersecurity standards and objectives by the end of Fiscal Year (FY) 2024 to reinforce the Government's defenses against increasingly sophisticated and persistent threat campaigns.....**learn more at:**

### Cybersecure to the edge is here NOW!

IAW EO 14028, Prometheus Security Group (PSG) provides ZTA Cyber Security from Command and Control (C2) centers to the edge. Open and flexible, our solutions integrate with virtually any Government or Commercial Off-the-Shelf (GOTS/COTS) Common Operating Picture (COP) or C2 platform (i.e., IBDSS-DMDC3-PICARD, JADC2, ABMS, C2IMERA, etc.) PSG does it via three "industry first" breakthroughs.

- [Cyber Security Solution \(CSS\)](#) – a centralized, redundant multi-domain secure Cyber hosting platform designed for IT deployments. Certified for mission critical applications.
- [UFP-DESI](#) - a Zero Trust (ZTA), end-to-end, a secure, open architecture panel that carries data from edge sensors to control centers.
- [Scene Authentication](#) - an encrypted, tamper proof, verifiable video data solution provides proof the viewed imagery was from: **THAT Camera - at THAT Place - at THAT Point in Time.**

*"PSG provides Critical Asset customers with advanced, low cost, next generation technologies that support rapid modernization of existing/future critical assets requiring ZTA. Powered by a robust, cyber secure Linux High Performance Computing (HPC) cluster leveraging PSG's advance cyber solutions" states Jeremy Freeze-Skret, VP - PSG.*

**About:** A recognized security industry Best of Breed, the PSG management team has been in the FED-GOV critical asset market for over 150 years. Responsible for developing multiple industry firsts, multiple patents, PL1N certifications, Authority-To-Operates (ATOs), RMF accreditations, AES-RSA signing, global OEM's with Hewlett Packard, Dell, etc. PSG is GSA approved TAA, NDAA, NIST-FIPS PKI, PACS, FICAM compliant, program-contract holders for numerous Government Agencies. Contact - 512-247-3700. 3019 Alvin Devane Blvd #400, Austin, Texas 78741.
